

Finca Tres Robles Farm Manager

Job Description:

Small Places is a 501c3 that develops farms in under resourced neighborhoods to upend systemic inequalities at the neighborhood level. Our farms are designed to prioritize and become a part of the fabric of the communities they exist in providing convenient, affordable access to high quality foods and a safe and welcoming space for our neighbors.

Our first farm, Finca Tres Robles (Spanish for “3 Oaks Farm”), located just 3 miles east of downtown in the historic 2nd Ward is one of the only urban farms in Houston’s urban core and grows seasonal fruits, vegetables and herbs on 1.5 acres. Using intensive growing methods and following organic practices, our farm is one of the only sources of sustainable, fresh, and local produce on Houston’s East Side. As a community-driven farm uniquely striving to keep 100% of our produce within 3 miles of the farm, we have developed community outlets and relationships distributing our produce through a 10-month CSA, an onsite grocery store, and subsidized distributions directly to community partners and neighbors. As a community space, we also host regular community events and educational opportunities such as field trips and classes.

Having recently signed a historic 40-year lease on 1.5 acres in partnership with Harris County, our new community farm reopened in April of 2025

Our supporting Farm Manager will be vital in updating our farm processes for the new space and leading the transition and launch of production on the new farm site. They will also help develop and support our inaugural class of Farm apprentices. This USDA supported program will create 3 FT salaried apprenticeship positions for our farm.

Working in a primarily working-class Latino community we strive to represent, include and prioritize our immediate neighborhood. We strive to be an open and safe place to work for people of all backgrounds and experiences and to leverage our farm to build a caring and just community.

Responsibilities:

- Manage the running of the day-to-day farm work including daily, weekly and seasonal planning, seeding, planting, weeding, irrigation
- Planning weekly priorities through regular meetings with the existing Lead Farm Manager (and Executive Director) and various tasks as agreed upon
- Direct, manage, and train staff, volunteers, and seasonal help which includes supporting the Apprenticeship program
- Contribute to the development of improved operations through routines, processes, checklists, record keeping, farming techniques, and farm infrastructure projects.
- Manage the weekly maintenance and needs of the farm including email inquiries, making trips and purchases for farm needs, and planning and implementing farm improvements as needed
- Support in weekend activities only as agreed upon, i.e.farm stand, volunteer groups, weekend farm maintenance

Commitment:

40-50 hours a week (depending on the season), 5 days per week

Requirements:

3-5+ years of production farming and farm management experience
2+ years of urban ag and agritourism experience (prioritized but not required)
Proficient in Gmail, Google Docs, Google sheets, TEND (app)
Committed to personal growth and accountability
Willingness to work outdoors in Houston’s weather and ability to lift 50 lbs +
Speak Spanish (prioritized but not required)

Compensation:

\$50,000-\$56,000 DOE
Other benefits include: Farm Produce; \$400 monthly/health savings account; 3 weeks PTO
Potential for growth opportunities in the organization as we grow;
